Disposable Surgical Comfort Mat

A disposable, one-time comfort solution for strenuous surgeries. Conveniently-sized and remarkably portable while providing premium comfort and lasting support to feet, legs and back areas. The disposable option provides time saving room turnover, reduced cost on cleaning and labor, as well as reduced equipment loss ratio.

Surgical Comfort Stool Mat

Essential in every operating room and surgical center. This mat has a slip resistant bottom surface and a beveled edge for safety. It's antibacterial, antimicrobial, and disposable features means increased infection control. This supportive anti-fatigue mat provides instant relief while restoring energy and increasing productivity during medical procedures.
