

Winter 2023

TZ Medical
Sparked by your ideas

TZ MEDICAL SALES ACADEMY

Would you like to have the potential opportunity for future employment with a Medical Device Company? TZ Medical is a privately held business based in Portland, Oregon that has been in the industry for over 30 years. We are offering a paid winter sales training program, allowing potential for future employment in our sales department. During the program, you will learn the ins and outs of our sales process, account management and much more!

Employee Testimonials

"The TZ Medical Sales Academy is a one-of-a-kind opportunity that allowed me to apply my clinical knowledge and experience to a customized medical device sales training program. The culture at TZ is second to none; I am so impressed by the teamwork and camaraderie that this company promotes. I am excited about my future with TZ and look forward to all the opportunities and personal growth along the way."

- Lindsay Scott RT(R)(VI) - 2021 Academy, Current Employee

"I couldn't be happier with my decision to move to Portland for the summer to intern with TZ Medical. This is not a typical internship that will just assign you busy work to fill your time. Instead, you will be trained clinically, challenged daily, and given the opportunity to show your skills often. Not only was the internship a key factor in my professional development, but it also brought me friendships that I will cherish forever."

- Shelby Bateman - 2019 Intern Class, Current Employee

"The TZ Internship Program truly exceeded my expectations. In just a few months I have grown exponentially. I have been challenged in so many areas that have allowed me to become a dynamic sales professional. I feel prepared with the tools and knowledge provided to step out into the field and be successful. Not only did I learn so much, but I am so grateful to be a part of the TZ family. TZ genuinely wants you to succeed and will support you in your efforts to do so. This internship was one of the best decisions I have ever made."

- Victoria Torres - 2020 Intern Class, Current Employee

"I feel very lucky to have noticed the opportunity for this internship, as it has been a great 3+ months in Portland, Oregon. I couldn't have asked for a better start to a career in the medical device industry, and got to make memories with awesome people in the process. The internship will challenge you and take you outside of your comfort zone, but give you all the resources you need and more to succeed and improve every day. I recommend applying for the internship, and you will realize the opportunity in front of you after your first interview!"

- Drew Donovan - 2020 Intern Class, Current Employee

"I never imagined myself working in sales, especially medical device sales. As soon as we began the internship, I immediately felt that TZ Medical was the right place for me. This internship program will challenge you, educate you, and also motivate you. If you are driven to succeed, open to learning, and looking for an amazing company culture, I highly recommend applying for the TZ Medical Internship Program."

- Alyssa Johnson - 2020 Intern Class, Current Employee
